Total Project Development		\$76,781,634

I-69 Funding Program	
Project Development	\$76,781,634
Funded Construction	\$150,899,764
Constructed / Under Construction	\$957,160,355
Total	\$1,184,841,753

The funding amounts shown represent the committed funding to complete or undertake construction and project development for upgrades along the I-69 Texas System since September 1, 2010. These projects will address immediate safety, capacity and maintenance needs, and in most cases, upgrade the highway, or parts of the highway, to standards that may support future Interstate designation.

I-69 System Funding Program as of September 1, 2014 *
